

Gordon Movie Theater Project

Pledge Form

Funds are currently being sought to renovate and re-open the Gordon Movie Theater in Gordon, Neb. The theater will operate with the help of volunteer groups, providing a safe environment for our youth and serving as a source of pride and entertainment for our community. A total of \$200,653 is needed to renovate the theater, purchase new projection equipment and provide start-up costs. With your pledge, we are one step closer to restoring a vital source of entertainment to the people of our community.

All donors will be honored in a dedication reel, which will play prior to every movie at the theater. Donations made in memory of loved ones will be recognized in the reel with a photo and brief bio, if available. Pledges will be collected once sufficient funds have been secured to move forward with the project.
